Alan Broadfoot

Director, Energy & Resources Knowledge Hub

Executive Director, Newcastle Institute for Energy & Resources

NSW Energy & Resources Knowledge Hub

- Responding to new markets for energy technologies and services
- Connecting business and research to fast track growth and innovation
- Competitiveness and productivity through knowledge transfer

www.energyinnovation.net.au

Energy NSW

A platform of the Knowledge Hub aiming to:

- foster a network of stakeholders including industry, government, peak bodies & market-driven researchers
- support the energy equipment technology & services sector
- share knowledge, opportunities and events between business & research
